- \* Water Bath
- \* Oil Bath / Dry-well Calibrator
- \* Refrigerator
- \* Freezer
- \* Chiller
- \* Environmental Chamber
- \* Temperature Chamber
- \* Hot Cabinet
- \* Thermometer (Digital/Dial)
- \* Infrared Thermometer
- \* Autoclave
- \* Thermohygrometer
- \* Climatic Chamber
- \* pH Meter
- \* Humidity Chamber
- \* Furnace
- \* Etc..

**MASS**

- \* Analytical Balance
- \* Toploading Balance
- \* Etc.

**DIMENSION**

- \* Vernier Caliper
- \* Outside Micrometer
- \* Inside Micrometer
- \* Dial Gauge
- \* Micro Indicator
- \* Depth Gauge
- \* Height Gauge
- \* Feeler Gauge
- \* Dial Test Indicator
- \* Digital Indicator Gauge & LVDT
- \* Setting Rod
- \* Thickness Gauge
- \* Etc.

## PRESSURE

- \* Pressure & Test Gauges
- \* Pressure Switch
- \* Digital Pressure Gauge
- \* Vacuum Gauge
- \* Pressure Safety / Relief Valves
- \* VW Piezometer
- \* Pressure Transducer
- \* Barometer
- \* Vacuum Pycnometer
- \* Air Entrainment Gauge
- \* Blood Pressure Meter
- \* Etc..

## OTHER PARAMETERS

Albatech enjoys taking up challenging Special calibration jobs. Our highly qualified and experienced engineers have vast knowledge in the calibration field. Albatech would be pleased to undertake such jobs or advise customers accordingly..
